

EXHIBIT A
RESTATED CONDOMINIUM BYLAWS FOR MAPLE RIDGE CREEK VILLAGE

ARTICLE I

ASSOCIATION OF CO-OWNERS

SECTION 1. The Association. Maple Ridge Creek Village, a residential Condominium project located in the City of Rochester, Oakland County, Michigan, shall be administered by an association of Co-owners which shall be a nonprofit corporation, hereinafter called the "Association", organized under the applicable laws of the State of Michigan, and responsible for the management, maintenance, operation and administration of the Common Elements, easements and affairs of the Condominium Project, subject to and in accordance with the Amended and Restated Master Deed, these Bylaws, the Articles of Incorporation, and duly adopted Rules and Regulations of the Association, and the laws of the State of Michigan. All Co-owners in the Condominium Project and all persons using or entering upon or acquiring any interest in any Unit therein or the Common Elements thereof shall be subject to the provisions and terms set forth in the aforesaid Condominium Documents.

SECTION 2. Purpose of the Bylaws. These Bylaws are designated as both the Condominium Bylaws, relating to the manner in which the Condominium and the common affairs of the Co-owners of the Condominium Units shall be administered, as required by Act No. 59 of the Public Acts of Michigan of 1978, as amended, and the Association or Corporate Bylaws, governing the operation of the Association as a corporate entity, as required by Act No. 162 of the Public Acts of Michigan of 1982, as amended.

ARTICLE II

ASSESSMENTS

SECTION 1. Taxes and Assessments; Expenses of Administration. The Association shall be assessed as the person or entity in possession of any tangible personal property of the Condominium owned or possessed in common by the Co-owners, and personal property taxes based thereon shall be treated as expenses of administration. Governmental special assessments and property taxes shall be assessed against the individual Condominium Units identified as Units on the Condominium Subdivision Plan and not on the total property of the project or any other part thereof. Governmental special assessments and property taxes in any year in which the property existed as an established condominium project on the tax day shall be assessed against the individual Condominium Unit, notwithstanding any subsequent vacation of the condominium project. The levying of all property taxes and governmental special assessments shall comply with Section 131 of the Act.

SECTION 2. Assessments for Common Elements. All costs incurred by the Association in satisfaction of any liability arising within, caused by or in connection with the Common Elements or the administration of the Condominium shall be expenses of administration; and all sums received as proceeds of, or pursuant to, any policy of insurance carried by the Association securing the interests of the Co-owners against liabilities or losses

arising within, caused by or connected with the Common Elements or the administration of the Condominium shall be receipts of administration, within the meaning of Section 54(4) of the Act.

SECTION 3. Determination of Assessments. Assessments shall be determined in accordance with the following provisions:

A. Annual Budget. The Board of Directors of the Association shall establish an annual budget in advance for each fiscal year and such budget shall project all expenses for the forthcoming year which may be required for the proper operation, management and maintenance of the Condominium, including a reasonable allowance for contingencies and reserves. Any budget adopted shall include an allocation to a reserve fund for maintenance, repairs and replacement of those Common Elements that must be replaced on a periodic basis, in accordance with subsection D. hereof. Upon adoption of an annual budget by the Board of Directors, copies of the budget shall be delivered to each Co-owner and the assessment for the year shall be established based upon said budget, although the failure to deliver a copy of the budget to each Co-owner shall not affect or in any way diminish the liability of any Co-owner for any existing or future assessments.

B. Additional Assessments. The Board of Directors shall have the authority to increase the general assessment or to levy such additional assessment or assessments as it shall deem to be necessary in the Board's sole discretion, provided that the same shall be required for only the following: (i) to meet deficits incurred or anticipated because current assessments are insufficient to pay the costs of operation and maintenance; (ii) to provide replacements of existing Common Elements; (iii) to provide additions to the Common Elements at a total annual cost not exceeding 10% of the annual operating budget; or (iv) for any emergencies. The Board of Directors shall also have the authority, without the necessity of Co-owner consent, to levy assessments pursuant to the provisions of Article V., Section 4 hereof. The discretionary authority of the Board of Directors to levy assessments pursuant to this subparagraph shall rest solely with the Board of Directors for the benefit of the Association and its members, and shall not be enforceable by any creditors of the Association or its members.

C. Special Assessments. Special assessments, in addition to those described in subparagraph A. above, may be made by the Board of Directors from time to time if approved by the Co-owners as provided herein, to meet other requirements of the Association, including, but not limited to: (i) assessments for additions to Common Elements whose total annual cost exceeds 10% of the annual operating budget annually; (ii) assessments to purchase a Unit upon foreclosure of the lien for assessments described hereafter; or (iii) assessments for any other appropriate purpose not elsewhere described. Special Assessments as provided for by this subparagraph shall not be levied without the prior approval of more than fifty (50%) percent of all Co-owners. The authority to levy assessments pursuant to this subparagraph is solely for the benefit of the Association and its members and shall not be enforceable by any creditors of the Association or its members.

D. Reserve Fund. The Board of Directors shall maintain a reserve fund solely for major repairs and replacements of common elements and emergency expenditures, which reserve fund shall be in the amount of not less than ten (10%) percent of the Association's annual budget (excluding that portion of the budget allocated to the reserve fund itself) on a noncumulative basis. The Association may increase or decrease the reserve fund but may not reduce it below ten (10%) percent of the annual budget of the Association. The reserve must be funded at least annually from the proceeds of the regular monthly payments set forth in Subparagraph A of this Section, rather than by special assessments, but may be supplemented by additional or special assessments if determined necessary by the Board of Directors. The minimum standard required by this subsection may prove to be inadequate. The Board of Directors shall annually consider the needs of the Condominium to determine if a greater amount should be set aside in reserve or if additional reserve funds should be established for any other purposes. The Board may adopt such rules and regulations as it deems desirable from time to time with respect to type and manner of investment, funding of the reserves, disposition of reserves or any other matter concerning the reserve account(s).

SECTION 4. Payment of Assessments and Penalty for Default. All assessments levied against the Co-owners to cover expenses of administration shall be apportioned among and paid by the Co-owners in accordance with the percentage of value allocated to each Unit in the Amended and Restated Master Deed without increase or decrease for the existence of any rights to the use of limited Common Elements appurtenant to a Condominium Unit. Annual assessment shall be payable by Co-owners in twelve (12) equal monthly installments, commencing with acceptance of a deed to or a land contract vendee's interest in a Unit, or with the acquisition of fee simple title to a Unit by any other means. The payment of an assessment shall be in default if such assessment, or any part thereof, is not paid to the Association in full on or before the due date for such payment, which shall be the first day of each calendar month. Assessments in default shall bear interest at the highest rate allowed by law until paid in full. In addition, all assessments, or installments thereof, which remain unpaid as of ten (10) days after the due date, shall incur a uniform late charge of 10% of the unpaid amount to compensate the Association for administrative costs incurred as a result of the delinquency. The Board of Directors may revise said uniform late charges, and may levy additional late fees for special and additional assessments, pursuant to Section 11 of Article VI of these Bylaws, without the necessity of amending these Bylaws. Once any delinquency reaches a level equal to or exceeding two monthly installments of the annual assessment, the remaining unpaid installments of the annual assessment for that fiscal year shall be automatically accelerated and shall be immediately due and payable. Each Co-owner (whether one or more persons) shall be personally liable for the payment of all assessments (including late fees and costs of collection and enforcement of payment, including actual attorney's fees) levied against his Unit while such Co-owner has an ownership interest therein. Payments on account of installments of assessments in default shall be applied as follows: first, to costs of collection and enforcement of payment, including attorney's fees; second, to any interest charges, fines and late fees on such installments; and third, to installments in default in order of their due dates. A Co-owner selling a Unit shall not be entitled to any refund whatsoever from the Association with respect to any reserve account or other asset of the Association.

SECTION 5. Waiver of Use or Abandonment of Unit. No Co-owner may exempt himself from liability for his contribution toward the expenses of administration by waiver of the use or enjoyment of any of the Common Elements or by the abandonment of his Unit.

SECTION 6. Enforcement.

A. Statutory Lien. Sums assessed to a Co-owner which are unpaid, together with interest of such sums, collection and late charges, advances made by the Association for taxes or other liens to protect its lien, attorneys fees and fines (as allowed by the Condominium Documents or the Act); constitute a lien upon the Unit or Units in the development owned by the Co-owner at the time of the assessment before other liens except tax liens on the Condominium Unit in favor of any state or federal taxing authority and sums unpaid on the first mortgage of record, except that past due assessments which are evidenced by a notice of lien, recorded as provided hereafter in this Section 6, have priority over a mortgage recorded subsequent to the recording of the notice and affidavit of lien. The lien upon each Condominium Unit owned by the Co-owner shall be in the amount assessed against the Condominium Unit, plus a proportionate share of the total of all other unpaid assessments attributable to Condominium Units no longer owned by the Co-owner but which became due while the Co-owner had title to the Condominium Units. The lien may be foreclosed by judicial action or by advertisement in the name of the condominium project on behalf of the other Co-owners as hereinafter provided.

B. Remedies. The Association may enforce collection of delinquent assessments by a suit of law for money judgment or by foreclosure of the statutory lien that secures payment of assessments. A Co-owner may not assert in an answer, or set-off to a complaint brought by the Association for non-payment of assessments, the fact that the Association or its agents have not provided services or management to a Co-owner. A Co-owner in default shall not be entitled to utilize any of the general Common Elements of the Project, shall not be qualified to run for or function as an officer or Director of the Association, and shall not be entitled to vote at any meeting of the Association so long as such default continues; provided, however, this provision shall not operate to deprive any Co-owner of ingress or egress to and from his Unit. In a judicial foreclosure action, a receiver may be appointed to collect a reasonable rental for the Unit from the Co-owner thereof or any persons claiming under him, and if the Unit is not occupied by the Co-owner, to lease the Condominium Unit and collect and apply the rental therefrom. The Association may also assess fines for late payment or non-payment of assessments in accordance with the provisions of Article XVI of these Bylaws. All remedies shall be cumulative and not alternative.

C. Foreclosure of Lien. Each Co-owner, and every other person who from time to time has any interest in the Project, shall be deemed to have granted to the Association the unqualified right to elect to foreclose of the lien securing payment of assessments, costs and expenses, either by judicial action or by advertisement. The provisions of Michigan law pertaining to foreclosure of mortgages by judicial action and by advertisement, and the provisions of Section 108 of the Act, as the same may be amended from time to time, are incorporated herein by reference for the purposes of establishing the alternative procedures to be followed in lien foreclosure actions and the rights and obligation of the parties to such actions. Further, each Co-owner and every other person who from time to time has any interest in the Project, shall be deemed to have authorized and empowered the Association to sell or to cause to be sold the Unit (and improvements) with respect to which assessment(s) is or are delinquent and to receive, hold and distribute the proceeds of such sale in accordance with the priorities established by applicable law. Each Co-owner of a Unit in the Project

acknowledges that at the time of acquiring title to such Unit, he was notified of the provisions of this Section 6 and that he voluntarily, intelligently and knowingly waived notice of any proceedings brought by the Association to foreclose by advertisement the lien for nonpayment of assessments and a hearing on the same prior to the sale of the subject Unit.

D. Notice of Action. Notwithstanding the foregoing, neither a judicial foreclosure action nor a suit at law for a money judgment shall be commenced, nor shall any notice of foreclosure by advertisement be published, until the expiration of ten (10) days after mailing by first class mail, postage prepaid, addressed to the delinquent Co-owner(s) at his or their last known address, of a written notice that one or more installments of the annual assessment levied against the pertinent Unit is or are delinquent and that the Association may invoke any of its remedies hereunder if the default is not cured within ten (10) days after the date of mailing. Such written notice shall be accompanied by a written affidavit of an authorized representative of the Association that sets forth (i) the affiant's capacity to make the affidavit, (ii) the statutory and other authority for the lien, (iii) the amount outstanding (exclusive of interest, costs, attorney fees and future assessments), (iv) the legal description of the subject Unit(s), and (v) the name(s) of the Co-owner(s) of records. Such affidavit shall be recorded in the Office of the Register of Deeds in the County in which the Project is located prior to the commencement of any foreclosure proceeding, but it need not have been recorded as of the date of mailing as aforesaid. If the delinquency is not cured within the ten (10) day period, the Association may take such remedial action as may be available to it hereunder or under Michigan law. In the event the Association elects to foreclose the lien by advertisement, the Association shall so notify the representative designated above and shall inform such representative that he may request a judicial hearing by bringing suit against the Association.

E. Expenses of Collection. All expenses incurred in collecting unpaid assessments, including interests, fines, costs, actual attorneys' fees (not limited to statutory fees) and advances for taxes or other liens or costs paid by the Association to protect its lien, shall be chargeable to the Co-owner in default and shall be secured by the lien on his Unit.

SECTION 7. Liability of Mortgagee. Notwithstanding any other provisions of the Condominium Documents, the holder of any first mortgage covering any Unit in the Project, or its successors and assigns, which comes into possession of the Unit pursuant to the foreclosure remedies provided in the mortgage, shall take the property free of any claims for unpaid assessments or charges against the mortgaged Unit which become due prior to the acquisition of title to the Unit by such person or entity, except for claims for a pro rata share of such assessments or charges resulting from a pro rata reallocation of such assessments or charges to all Units including the mortgaged Unit, and except for claims evidenced by a Notice of Lien recorded prior to the recordation of the first mortgage.

SECTION 8. Assessment Status Upon Sale of Unit. Upon the sale or conveyance of a Condominium Unit, any unpaid assessments, interest, late fees, fines, costs and attorney's fees against the Condominium Unit shall be paid out of the net proceeds of the sale price or by the purchaser in preference over any other assessments or charges of whatever nature except (a) amounts due the State of Michigan or any subdivision thereof for taxes or special assessments due and unpaid and (b) payments due under first mortgages having priority to the unpaid assessments. A purchaser of a Condominium Unit is entitled to a written statement from the Association setting forth the amount of unpaid assessments, interest, late fees, fines,

costs and attorney's fees outstanding against the Unit and the purchaser is not liable for any unpaid assessments, interest, late fees, fines, costs and attorney's fees in excess of the amount set forth in such written statement, nor shall the Unit be subject to any lien for any amounts in excess of the amount set forth in the written statement. Any purchaser or grantee who fails to request a written statement from the Association as provided herein at least five (5) days before the conveyance shall be liable for any unpaid assessments against the Unit together with interest, late fees, fines, costs and attorneys' fees incurred in connection with the collection of such assessments.

SECTION 9. Construction Liens. Construction liens attaching to any portion of the condominium premises shall be subject to the following limitations and Section 132 of the Act:

A. Except as provided herein, a construction lien for work performed upon a Condominium Unit or upon a Limited Common Element may attach only to the Condominium Unit upon which the work was performed.

B. A construction lien for work authorized by the Association may attach to each Condominium Unit only to the proportionate extent that the Co-owner of the Condominium Unit is required to contribute to the expenses of administration as provided by the condominium documents.

C. A construction lien may not arise or attach to a Condominium Unit for work performed on the Common Elements not contracted for by the Association.

ARTICLE III

ARBITRATION

SECTION 1. Arbitration. Disputes, claims, or grievances arising out of or relating to the interpretation or the application of the Condominium Documents, or any disputes, claims or grievances arising among or between Co-owners, or between a Co-owner or Co-owners and the Association shall, upon the election and written consent of the parties to any such disputes, claims or grievances and written notice to the Association, if applicable, be submitted to arbitration and parties thereto shall accept the arbitrator's decision as final and binding. The Commercial Arbitration Rules of the American Arbitration Association as amended and in effect from time to time hereafter shall be applicable to any such arbitration.

SECTION 2. Right to Judicial Action. In the absence of the election and written consent of the parties pursuant to Section 1, above, no Co-owner or the Association shall be precluded from petitioning the courts to resolve any such disputes, claims or grievances.

SECTION 3. Effect of Election to Arbitrate. Election by the parties to submit any such dispute, claim or grievance to arbitration shall preclude such parties from litigating such dispute, claim or grievance in the courts.

ARTICLE IV

INSURANCE

SECTION 1. Association Coverage. The Association shall carry fire and extended coverage, vandalism and malicious mischief and liability insurance, and workmen's compensation insurance, if applicable, pertinent to the ownership, use and maintenance of the Common Elements of the Condominium that are the Association's responsibility under Article IV of the Amended and Restated Master Deed, Fidelity Bond coverage for the members of the Board and any management agent who has access to and authority over any monies received by or payable to the Association, Directors and Officers Liability coverage, and such other insurance as the Board of Directors deems advisable, and all such insurance shall be carried and administered in accordance with the following provisions:

A. Respective Responsibilities. All such insurance shall be purchased by the Association for the benefit of the Association, the Co-owners and their mortgagees, as their interests may appear; and provision shall be made for the issuance of certificates of mortgagee endorsements to the mortgagees of Co-owners. Unit owners are advised that the Association's coverage is not intended to be complete as to all matters, and the Co-owners have an obligation to provide certain coverages as outlined in this Article. Co-owners are advised to consult with their insurance advisors to determine what additional insurance they must obtain upon their Units and appurtenant Limited Common Elements, at their own expense, in addition to the coverage carried by the Association. It shall be each Co-owner's responsibility to obtain insurance coverage for the interior of the Unit, including Common Elements therein, all fixtures, equipment, and trim within a Unit, personal property located within a Unit or elsewhere in the Condominium, as well as for all improvements and betterments to the Unit and Limited Common Elements, and for personal liability and property damage for occurrences within a Unit or upon Limited Common Elements appurtenant to a Unit for which the Co-owner is responsible pursuant to Article IV of the Amended and Restated Master Deed, and also for alternative living expense in event of fire or other casualty, and the Association shall have absolutely no responsibility for obtaining such coverages. Proof of required Co-owner insurance must be supplied to the Association upon request. The Association and all Co-owners shall use their best efforts to see that all property and liability insurance carried by the Association or any Co-owner shall contain appropriate provisions whereby the insurer waives its right of subrogation as to any claims against any Co-owner or the Association. The liability insurance carried by the Association and the Co-owners shall, where appropriate, contain cross-liability endorsements to cover liability of the Co-owners as a group to another Co-owner.

B. Insuring of Common Elements. All Common Elements of the Condominium shall be insured by the Association or Co-owners, as the case may be, (according to the responsibilities for each element assigned in Article IV of the Amended and Restated Master Deed), against fire and other perils covered by a standard extended coverage endorsement, in an amount equal to the maximum insurable replacement value, excluding foundation and excavation costs, as determined annually by the Board of Directors of the Association in consultation with its appropriate professional advisors. The Association's coverage may also include, as secondary coverage in accordance with the provisions of Subparagraph E, interior walls within any Unit and may further include all fixtures and trim within a Unit which were furnished with the

Unit as standard items, in accord with the plans and specifications for the Project on file with the City of Rochester, or such replacements thereof as do not exceed the cost of such standard items. Such fixtures and trim, if covered, are to consist of no more than standard bathroom and kitchen fixtures, countertops and cabinets, but shall specifically exclude appliances, water heaters, heating and air conditioning equipment, wallcovering, window treatments and floor covering. Any improvements or items installed in addition to such standard items, regardless of by whom installed, shall be covered by insurance obtained by and at the expense of the individual Co-owners.

C. Cost of Insurance. All premiums for insurance purchased by the Association pursuant to these Bylaws shall be expenses of administration.

D. Proceeds of Insurance Policies. Proceeds of all insurance policies owned by the Association shall be received by the Association, held in a separate account and distributed to the Association, the Co-owners and their mortgagees as their interests may appear; provided, however, whenever repair or reconstruction of the Condominium shall be required as provided in Article V of these Bylaws, the proceeds of any insurance received by the Association as a result of any loss requiring repair or reconstruction shall be applied for such repair or reconstruction, and in no event shall hazard insurance proceeds be used for any purpose other than for repair, replacement or reconstruction of the Condominium unless all of the institutional holders of first mortgages on Units in the Condominium have given their prior written approval.

E. Determination of Primary Carrier. It is understood that there may be overlapping coverage between the Co-owners' policies and those of the Association, as required to be carried pursuant to this Article. In situations where both coverages/policies are applicable to a given loss, the provisions of this subsection shall control in determining the primary carrier. In cases of property damage to the Unit and its contents, or any other Unit, Limited Common Element or other element or property for which the Co-owner is assigned responsibility for maintenance, repair and replacement pursuant to the provisions of Article IV of the Amended and Restated Master Deed (including improvements and betterments), the Co-owner's policy/carrier shall be deemed to be the primary carrier. In cases of property damage to the General Common Elements or a Limited Common Element for which the Association is assigned responsibility for maintenance, repair and replacement pursuant to the provisions of Article IV of the Amended and Restated Master Deed, the Association's policy/carrier shall be deemed to be the primary carrier. In cases of liability for personal injury or otherwise, for occurrences in/on the Unit or in/upon a Limited Common Element for which the Co-owner is assigned responsibility for maintenance, repair and replacement pursuant to the provisions of Article IV of the Amended and Restated Master Deed (including improvements and betterments), the Co-owner's policy/carrier shall be deemed to be the primary carrier. In cases of liability for personal injury or otherwise, for occurrences in/on the General Common Elements or in/upon a Limited Common Element for which the Association is assigned responsibility for maintenance, repair and replacement pursuant to the provisions of Article IV of the Amended and Restated Master Deed (including improvements and betterments), the Association's policy/carrier shall be deemed to be the primary carrier. In all cases where the Association's policy/carrier is not deemed the primary policy/carrier, if the Association's policy/carrier contributes to payment of the loss, the Association's liability to the Co-owner shall be limited to the amount of the insurance proceeds, and shall not in any event require or result

in the Association paying or being responsible for any deductible amount under its policies. In cases where the Co-owner's policy is deemed primary for the purpose of covering losses where the damage is incidental or caused by a general common element or the repair or replacement thereof, the insurance carrier of the Co-owner shall have no right of subrogation against the Association or its carrier.

SECTION 2. Association as Attorney-in-Fact. Each Co-owner, by ownership of a Unit in the Condominium Project, shall be deemed to appoint the Association as his true and lawful attorney-in-fact to act in connection with all matters concerning the maintenance of fire and extended coverage, vandalism and malicious mischief, liability insurance and workmen's compensation insurance, if applicable, pertinent to the Condominium Project, his Unit and the Common Elements thereof and such insurer as may, from time to time, provide such insurance for the Condominium Project. Without limitation on the generality of the foregoing, the Association as said attorney shall have full power and authority to purchase and maintain such insurance, to collect and remit premiums therefor, to collect proceeds and to distribute the same to the Association, the Co-owners and respective mortgagees, as their interests may appear (subject always to the Condominium Documents), to execute releases of liability and to execute all documents and to do all things on behalf of such Co-owner and the Condominium as shall be necessary or convenient to the accomplishment of the foregoing.

SECTION 3. Indemnification. Each Individual Co-owner shall indemnify and hold harmless every other Co-owner and the Association for all damages and costs, including attorneys' fees, which such other Co-owners or the Association may suffer as a result of defending any claim arising out of an occurrence on or within such individual Co-owner's Unit or appurtenant Limited Common Elements and shall carry insurance to secure this indemnity if so required by the Association. This Section 3 shall not be construed to give any insurer any subrogation right or other right or claim against any individual Co-owner.

ARTICLE V

RECONSTRUCTION OR REPAIR IN CASE OF CASUALTY

SECTION 1. Determination of Reconstruction or Repair. This Article shall apply only to damage by casualty or other insurable event. Any other situations involving maintenance, repair and replacement shall be governed by the allocation of responsibilities contained in Article IV, Section C of the Amended and Restated Master Deed. If any part of the Condominium shall be damaged by insured casualty, the determination of whether or not it shall be reconstructed or repaired shall be made in the following manner:

A. **Repair or Reconstruction.** If the damaged property is a Common Element or a Unit, the property shall be rebuilt or repaired if any Unit in the Condominium is tenantable, unless it is determined by the affirmative vote of eighty (80%) percent of the Co-owners in the Condominium that the Condominium shall be terminated, and each institutional holder of a first mortgage lien on any Unit in the Condominium has given prior written approval of such termination.

B. **Decision Not to Repair or Reconstruct.** If the Condominium is so damaged that no Unit is tenantable, and if each institutional holder of a first mortgage lien on any Unit in the

Condominium has given its prior written approval of the termination of the Condominium, the damaged property shall not be rebuilt and the Condominium shall be terminated, unless eighty (80%) percent or more of all Co-owners in number and value agree to reconstruction by vote or in writing within ninety (90) days after the destruction.

SECTION 2. Repair and Reconstruction To Condition Existing Prior to Damage. Any such reconstruction or repair shall be substantially in accordance with the Amended and Restated Master Deed and the plans and specifications for the Condominium to a condition as comparable as possible to the condition existing prior to damage unless the Co-owners shall unanimously decide otherwise.

SECTION 3. Co-owner Responsibility for Reconstruction or Repair.

A. Definition of Responsibility. If the damage is only to a part of a Unit or common elements which are the responsibility of a Co-owner to maintain and repair and/or insure, it shall be the responsibility of the Co-owner to repair such damage in accordance with Subsection B. hereof. In all other cases, the responsibility for reconstruction and repair, although not necessarily the costs thereof, shall be that of the Association.

B. Co-owner Items. Regardless of the cause or nature of any damage or deterioration, including but not limited to incidents where the damage is incidental or caused by a general common element or the repair or replacement thereof, each Co-owner shall be responsible for the reconstruction and repair of the interior of the Co-owner's Unit and all fixtures, trim and personal property, including, but not limited to, floor coverings, window shades, draperies, interior walls (including any General Common Elements therein for which the Co-owner is assigned responsibility in Article IV of the Amended and Restated Master Deed), wall coverings, interior trim, furniture, light fixtures, and all appliances, whether freestanding or built-in. Each Co-owner shall be further responsible for the repair, reconstruction and maintenance of all items for which the Co-owner is assigned such responsibility in Article IV of the Amended and Restated Master Deed. In the event any damage to Common Elements is the responsibility of the Association's insurance carrier pursuant to the provisions of Article IV, Section 1E hereof, then the reconstruction or repair of the same shall be the responsibility of the Association in accordance with Section 4 of this Article, although the responsibility for costs thereof shall be allocated in accordance with the provisions of this Section and Section 4. If any interior portion of a Unit is covered by insurance held by the Association for the benefit of the Co-owner, and the carrier of such insurance is responsible for paying a claim pursuant to the provisions of Article IV, Section 1E hereof, the Co-owner shall be entitled to receive the proceeds of insurance relative thereto, only in the absence of Co-owner coverage, (but the Co-owner shall be responsible for any deductible amount), and if there is a mortgagee endorsement, the proceeds shall be payable to the Co-owner and the mortgagee jointly, to be used solely for the necessary repairs. In the event of substantial damage to or destruction of any Unit or any part of the Common Elements, the Association promptly shall so notify each institutional holder of a first mortgage lien on any Unit in the Condominium.

SECTION 4. Association Responsibility for Reconstruction or Repair of Common Elements. Subject to the responsibility of the individual Co-owners as outlined in Section 3 above, and other provisions of these Bylaws or the Amended and Restated Master Deed applicable to such situations, the Association shall be responsible for the reconstruction and

repair of the General Common Elements and those Limited Common Elements for which it is assigned such responsibility in Article IV of the Amended and Restated Master Deed. Under no circumstances shall the Association be responsible for incidental or consequential damage to a Unit, Limited Common Elements, personal property, fixtures, equipment or other property that is the responsibility of a Co-owner pursuant to Section 3 immediately above. Immediately after a casualty causing damage to property for which the Association has the responsibility of maintenance, repair or reconstruction, the Association shall obtain reliable and detailed estimates of the cost to place the damaged property in a condition as good as that existing before the damage. If the proceeds of insurance are not sufficient to defray the estimated costs of reconstruction or repair required to be performed by the Association, or if at any time during such reconstruction or repair, or upon completion of such reconstruction or repair, the funds for the payment of the costs thereof are insufficient, assessments shall be made against the Co-owners who are responsible for the costs of reconstruction or repair of the damaged property (as provided in Article IV of the Amended and Restated Master Deed) in sufficient amounts to provide funds to pay the estimated or actual costs of repair.

SECTION 5. Timely Reconstruction. If damage to Common Elements or a Unit adversely affects the appearance of the Project, the Association or Co-owner responsible for the reconstruction, repair and maintenance thereof shall proceed with the replacement or repair of the damaged property without delay, and shall complete such replacement or repair within six (6) months after the date of the occurrence which caused damage to the property.

SECTION 6. Eminent Domain. Section 133 of the Act and the following provisions shall control upon any taking by eminent domain:

A. Common Elements Taken by Eminent Domain. If any portion of the Common Elements is taken by eminent domain, the award therefor shall be allowed to the Co-owners in proportion to their respective undivided interests in the Common Elements. The Association, acting through its Board of Directors, may negotiate on behalf of all Co-owners for any taking of the Common Elements and any negotiated settlement approved by more than two-thirds (2/3) of the Co-owners shall be binding on all Co-owners.

B. Condominium Unit Taken by Eminent Domain. If a Unit is taken by eminent domain, the undivided interest in the Common Elements appertaining to the Condominium Unit shall thenceforth appertain to the remaining Condominium Units, being allocated to them in proportion to their respective undivided interests in the Common Elements. The Court shall enter a decree reflecting the reallocation of the undivided interest in the Common Elements as well as for the Condominium Unit.

C. Partial Taking of a Condominium Unit. If portions of a Condominium Unit are taken by eminent domain, the court shall determine the fair market value of the portions of the Condominium Unit not taken. The undivided interest of such Condominium Unit in the Common Elements shall be reduced in proportion to the diminution in the fair market value of such Condominium Unit resulting from the taking. The portions of undivided interest in the Common Elements thereby divested from the Co-owners of such Condominium Unit shall be reallocated among the other Condominium Units in the condominium project in proportion to their respective undivided interests in the Common Elements. A Condominium Unit partially taken shall receive the reallocation in proportion to its undivided interest as reduced by the

court under this subsection. The court shall enter a decree reflecting the reallocation of undivided interests produced thereby, and the award shall include just compensation to the Co-owner of the Condominium Unit partially taken for that portion of the undivided interest in the Common Elements divested from the Co-owner and not revested in the Co-owner pursuant to the following subsection, as well as for that portion of the Condominium Unit taken by eminent domain.

D. Impossibility of Use of Portion of Unit not Taken by Eminent Domain. If the taking of a portion of a Condominium Unit makes it impractical to use the remaining portion of that Condominium Unit for a lawful purpose permitted by the condominium documents, then the entire undivided interest in the Common Elements appertaining to that Condominium Unit shall thenceforth appertain to the remaining Condominium Units, being allocated to them in proportion to their respective undivided interests in the Common Elements. The remaining portion of that Condominium Unit shall thenceforth be a Common Element. The court shall enter an order reflecting the reallocation of undivided interests produced thereby, and the award shall include just compensation to the Co-owner of the Condominium Unit for the Co-owner's entire undivided interest in the Common Elements and for the entire Condominium Unit.

E. Future Expenses of Administration Appertaining to Condominium Unit(s) Taken by Eminent Domain. Votes in the Association of Co-owners and liability for future expenses of administration appertaining to a Condominium Unit taken or partially taken by eminent domain shall thenceforth appertain to the remaining Condominium Units, being allocated to them in proportion to their relative voting strength in the Association. A Condominium Unit partially taken shall receive a reallocation as though the voting strength in the Association was reduced in proportion to the reduction in the undivided interests in the Common Elements.

F. Condominium Continuation after the taking by Eminent Domain. In the event the Condominium continues after a taking by eminent domain, then the remaining portion of the Condominium shall be re-surveyed and the Amended and Restated Master Deed amended accordingly. Such amendment may be effected by an officer of the Association duly authorized by the Board of Directors without the necessity of execution or specific approval thereof by any Co-owner, but only with the prior written approval of all holders of first mortgage liens on individual Units in the Condominium.

G. Condemnation or Eminent Domain Proceeding. In the event any Unit in the Condominium, or any portion thereof, or the Common Elements, or any portion thereof, is made the subject matter of any condemnation or eminent domain proceeding or is otherwise sought to be acquired by a condemning authority, the Association promptly shall so notify each institutional holder of a first mortgage lien on any of the Units in the Condominium.

SECTION 7. Notice to Mortgagees. In the event that any mortgage in the Condominium is held or insured by any of the governmental secondary mortgage market lenders, such as the Federal Home Loan Mortgage Corporation ("FHLMC"), Federal National Mortgage Association ("FNMA"), Veteran's Administration ("VA") or the Department of Housing and Urban Development ("HUD"), the Association shall give such entities written notice, at such address as it may from time to time direct, of any loss to or taking of the Common Elements of

the Condominium, or any loss to or taking of any Unit, or part thereof, if the loss or taking exceeds TEN THOUSAND (\$10,000.00) DOLLARS in amount.

SECTION 8. Rights of First Mortgagees. Nothing contained in the Condominium Documents shall be construed to give a Condominium Unit Owner, or any other party, priority over any rights of first mortgagees of Condominium Units pursuant to their mortgages in the case of a distribution to Condominium Unit Owners of insurance proceeds or condemnation awards for losses to or a taking of Condominium Units and/or Common Elements.

ARTICLE VI

RESTRICTIONS

SECTION 1. Use of Condominium Unit.

A. Single Family Use. No Unit in the Condominium shall be used for other than single-family residential purposes (as defined by the City of Rochester Zoning Ordinances), and the Common Elements shall be used only for purposes consistent with the use herein stated. No Co-owner shall carry on any commercial activities anywhere on the premises of the Condominium, except that Co-owners shall be allowed to have offices in their homes, provided the same do not constitute a violation of any ordinances or regulations of the City of Rochester, and do not involve additional pedestrian or vehicular traffic and/or congestion within the Condominium, do not disturb other Co-owners, do not involve additional expense to the Association (such as utility charges and insurance), and do not violate any other provision or restriction contained in the Condominium Documents.

B. Occupancy Restrictions. All Units shall be occupied in strict conformance with the restrictions and regulations of the BOCA National Property Maintenance Code, or such other codes or ordinances which may be adopted by the City of Rochester from time to time. Accordingly, the number of persons allowed to reside in any Unit shall be restricted by the size of the bedrooms and other areas of said Unit. Such restrictions shall automatically change, without the necessity of an amendment to this document, upon the adoption of alternative regulations by the City of Rochester, such that the occupancy of all Units in the Condominium shall be in accordance with all City regulations at all times.

SECTION 2. Leasing and Rental of Units.

A. Right to Lease. A Co-owner may lease his Unit for the same purposes set forth in Section 1 of this Article VI; provided that written disclosure of such lease transaction is submitted to the Board of Directors of the Association in the same manner as specified in subparagraph B. below. No Co-owner shall lease less than an entire Unit in the Condominium, and no lease shall be valid unless the same shall be for an initial term of at least six (6) months. Such written lease shall (i) require the lessee to comply with the Condominium Documents and Rules and Regulations of the Association; (ii) provide that failure to comply with the Condominium Documents and Rules and Regulations constitutes a default under the lease, and (iii) provide that the Board of Directors has the power to terminate the lease or to institute an action to evict the tenant and for money damages after 15 days' prior written notice to the Condominium Unit Co-owner, in the event of a default by the tenant in the performance of the

lease. The Board of Directors may suggest or require a standard form lease for use by all Unit Co-owners. Each Co-owner of a Condominium Unit shall, promptly following the execution of any lease of a Condominium Unit, forward a conformed copy thereof to the Board of Directors.

Copies of all leases in effect as of the effective date of these Amended and Restated Bylaws shall be provided to the Association within 14 days of said effective date. Nothing herein shall be construed, however, to require the disclosure of the financial terms of any lease or occupancy agreement. Under no circumstances shall transient tenants be accommodated. For purposes of the Section 2A, a "transient tenant" is a nonco-owner residing in a Condominium Unit for less than sixty days, who has paid consideration therefor. The terms of all leases, occupancy agreements and occupancy arrangements shall incorporate, or be deemed to incorporate, all of the provisions of the Condominium Documents and all leases, rental agreements and occupancy agreements shall so state.

B. Procedures for Leasing. The leasing of Units in the Project shall conform to the following provisions:

- (1) A Co-owner desiring to rent or lease a Condominium Unit, shall disclose that fact in writing to the Association at least ten (10) days before presenting a Lease Form to a potential lessee, and shall supply the Association with a copy of the exact lease form for its review for its compliance with the Condominium Documents. The Association shall be entitled to approve or not approve any such proposed lease transaction in accordance with the provisions of this Section. If no lease form is to be used, then the co-owner shall supply the Association with the name and address of the potential lessee or other occupant(s), along with the due dates of any rental or compensation payable to the co-owner, and the term of the proposed arrangement.
- (2) Tenants or Non-Co-owner occupants shall comply with all of the conditions of the Condominium Documents of the Condominium Project and all leases and rental agreements shall so state.
- (3) If the Association determines that the tenant or Non-Co-owner occupant has failed to comply with the conditions of the Condominium Documents, the Association shall take the following action:
 - (a) The Association shall notify the Co-owner by certified mail advising of the alleged violation by tenant.
 - (b) The Co-owner shall have fifteen (15) days after receipt of such notice to investigate and correct the alleged breach by the tenant or advise the Association that a violation has not occurred.
 - (c) If after fifteen (15) days the Association believes that the alleged breach is not cured or may be repeated, it may institute on its behalf or derivatively by the Co-owners on behalf of the Association an action for eviction against the tenant or Non-Co-owner and tenant or Non-Co-owner occupant for breach of the conditions of the Condominium Documents. The relief set forth in this Section may be by summary proceeding. The Association may hold both the

tenant and the Co-owner liable for any damages caused by the Co-owner or tenant in connection with the Condominium Unit. The Co-owner shall be responsible for reimbursing the Association for all costs incurred in obtaining judicial enforcement of its rights, including actual attorneys fees.

- (4) When a Co-owner is in arrears to the Association for assessments, the Association may give written notice of the arrearage to a tenant occupying a Co-owner's Condominium Unit under a lease or rental agreement and the tenant, after receiving the notice shall deduct from rental payments due the Co-owner the arrearage and future assessments as they fall due and pay them to the Association. The deductions shall not be a breach of the rental agreement or lease by the tenant. If the tenant, after being notified, fails or refuses to remit rent, otherwise due the co-owner, to the Association, then the Association may (1) issue a statutory Notice to Quit for non-payment of rent, and enforce that notice by summary proceedings, or (2) initiate proceedings pursuant to Section 112(4)(b) of the Act.

SECTION 3.

A. Alterations. No Co-owner shall make alterations in exterior appearance or make structural modifications to any Unit (including interior walls through or in which there exist easements for support or utilities) or make changes in the appearance or use of any of the Common Elements, limited or general, without the express written approval of the Board of Directors, including but not limited to, exterior painting, replacement of windows, installation of egress windows, or the erection of lights, awnings, shutters, doors, newspaper holders, mailboxes, spas, hot tubs, decks, structures, fences, walls, landscaping or other exterior attachments or modifications. The erection of antennas, DBS reception devices, and other technologies regulated by the Federal Communications Commission, shall be in accordance with duly promulgated rules and regulations of the Association, which shall at all times be construed so as not to violate FCC regulations applicable thereto. No buildings, fences, walls, retaining walls, decks, patios, egress windows, banners, drives, walks, or other structures or improvements shall be commenced, erected, maintained, nor shall any addition to, or change or alteration to any structure be made (including in color or design), except interior alterations, nor shall any hedges trees or substantial plantings, or landscaping modifications be made, until plans and specifications acceptable to the Association showing the nature, kind, shape, height, materials, color scheme, location and approximate cost of such structure or improvement and the grading or landscaping plan of the area to be affected shall have been submitted to and approved in writing by the Association, and a copy of said plans and specifications, as finally approved, delivered to the Association. The Association shall have the right to refuse to approve any such plans or specifications, or grading or landscaping plans which are not suitable or desirable in its opinion for aesthetic or any other reasons; and in passing upon such plans, specifications, grading or landscaping, it shall have the right to take into consideration the suitability of the proposed structure, improvement or modification, the site upon which it is proposed to effect the same, and the degree of harmony thereof with the Condominium as a whole. From time to time the Board may establish policy guidelines for alterations and modifications. These guidelines are intended to clarify or supplement the general restrictions contained herein. All Co-owners must comply with these Bylaws and any such policies, and must in all instances obtain the written approval of the Board of Directors

before proceeding. No Co-owner shall in any way restrict access to any plumbing, water line, water line valves, water meter, sump pump, sprinkler system valves or any other element that must be accessible to service the Common Elements or any element which affects an Association responsibility in any way. It shall be permissible for Co-owners to cause to be installed television antennas in the attic areas above Units; providing, however, that any damage or expense to the Common Elements or to the Association resulting from such installation shall be borne by the Co-owner performing or authorizing such installation. Should access to any facilities of any sort be required, the Association may remove any coverings or attachments of any nature that restrict such access and will have no responsibility for repairing, replacing or reinstalling any materials, whether or not installation thereof has been approved hereunder, that are damaged in the course of gaining such access, nor shall the Association be responsible for monetary damages of any sort arising out of actions taken to gain necessary access.

B. Modifications or Improvements to Accommodate the Disabled. Notwithstanding the previous subparagraph A, a Co-owner may make improvements or modifications to the Co-owner's Condominium Unit, including Common Elements and the route from the public way to the door of the Co-owner's Condominium Unit, at the Co-owner's expense, if the purpose of the improvement or modification is to facilitate access to or movement within the Unit for persons with disabilities who reside in or regularly visit the unit or to alleviate conditions that could be hazardous to persons with disabilities who reside in or regularly visit the unit, subject to the following:

(1) The improvement or modification shall not impair the structural integrity of a structure or otherwise lessen the support of a portion of the Condominium Project, nor unreasonably prevent passage by other residents of the Condominium Project upon the Common Elements.

(2) The Co-owner shall be liable for the cost of repairing any damage to a Common Element caused by building or maintaining the improvement or modification, and such improvement or modification shall comply with all applicable state and local building requirements and health and safety laws and ordinances and shall be made as closely as possible in conformity with the intent of applicable prohibitions and restrictions regarding safety and aesthetics of the proposed modification.

(3) Before an improvement or modification allowed by this subsection is made the Co-owner shall submit plans and specifications for such alteration to the Association for approval. If the proposed alteration substantially conforms to the requirements of this subsection, the Association shall not deny the same without good cause. A denial shall be in writing, delivered to the Co-owner, listing the changes needed for the proposed alteration to conform. Any requests for approval by the Association under this subsection shall be acted upon not later than sixty (60) days after the required plans and specifications are submitted. Failure of the Association to approve or deny a request within the sixty (60) day period shall entitle the Co-owner to undertake the alteration without the approval of the Association.

(4) Any Co-owner making an alteration pursuant to this subsection shall maintain liability insurance and provide the Association with proof thereof prior to undertaking the alteration or modification, underwritten by an insurer authorized to do business in this state, in an amount adequate to compensate for personal injuries caused by the exterior improvement or modification, and naming the Association as an additional insured, but the Co-owner shall not be liable for acts or omissions of the Association with respect to the exterior alteration, and the Co-owner shall not be required to maintain liability insurance with respect to any Common Element.

(5) Responsibility for the cost of any maintenance, repair or replacement of an exterior alteration allowed by this Section shall be in accordance with the provisions of Section 47(a) of the Michigan Condominium Act.

(6) A Co-owner having made an improvement or modification allowed by this subsection shall notify the Association in writing of the Co-owner's intention to convey any interest in or lease his or her Condominium Unit to another, not less than thirty (30) days before the effective date of the conveyance or lease. Not more than thirty (30) days after receiving such a notice, the Association may require that the Co-owner remove the improvement or modification and restore the premises at the Co-owner's expense. In the absence of the required notice of conveyance or lease, the Association may at any time remove or require the Co-owner to remove the improvement or modification at the Co-owner's expense, however, the Association may not remove or require the removal of an improvement or modification if the Co-owner intends to resume residing in the Unit within 12 months or a Co-owner conveys or leases the Condominium Unit to a person with disabilities who needs the same type of improvement or modification, or who has a person residing with him or her who requires the same type of improvement or modification. As used in this Section, "person with disabilities" means that term as defined in Section 2 of the state construction code act of 1972 - MCL 125.1502.

SECTION 4. Conduct upon the Condominium Premises. No immoral, improper, unlawful or offensive activity, including but not limited to speeding or other vehicular infractions, shall be carried on or upon the Common Elements, limited or general, or any Unit, nor shall anything be done which may be or become an annoyance or a nuisance to the Co-owners of the Condominium, nor shall any unreasonably noisy activity be engaged in on the Common Elements or in any Unit. No Co-owner shall do or permit anything to be done or keep or permit to be kept in his Unit or on the Common Elements anything that will increase the rate of insurance on the Condominium without written approval of the Association and each Co-owner shall pay to the Association the increased cost of insurance premiums resulting from any such activity or the maintenance of any such condition.

SECTION 5. Animals upon the Condominium Premises. No animal, including household pets, except for two (2) domestic cats or one (1) dog, shall be kept or allowed on the Condominium Premises by any Co-owner without the written approval of the Board of Directors, which approval will only be given in extraordinary circumstances, such as leader dogs and other certified assistance pets. Any such approval shall be revocable at any time by
