SHRUB & PLANTING AREA BORDERING

There are now only two acceptable bordering materials allowed.

- 1) Border Bricks:
 - Height no more than 6 inches
 - Only one brick high from original grade (no stacking)
- 2) Stone Boulders
 - Diameter no more than 4-6 inches
 - One boulder high only

All other materials (plastic, metal, wood timbers etc...) are no longer allowed.

Black diamond edging will no longer be allowed.

Note:

Alteration Modification Form must be submitted and approved by Buildings and Grounds prior to commencing of project.

(co-owner and bldgs & grds/ maintenance meeting required)
