

### SECURITY CAMERAS, CAMERA DOORBELLS AND OTHER MODIFICATIONS

There are several camera type doorbells appearing on units which have neither been approved nor are authorized for use within the community. All surveillance type cameras and other equipment must be installed wholly on the interior of the unit. ALL CO-OWNERS ARE REQUIRED TO GAIN BOARD APPROVAL PRIOR TO MAKING ANY MODIFICATION TO THE EXTERIOR OF THEIR UNIT. An Alteration/Modification Request form must be submitted prior to any work involving the limited or general common elements. Unit owners who have currently installed unapproved items will be receiving notices to remove them. Please be advised that any item installed without prior approval is subject to removal by the Association at the unit owner's expense and liability.

Forms are available at the clubhouse or on the Stonehenge website <http://stonehengeofnovi.com>
